

WELCOME TO OUR *May Newsletter*

we're so glad you're here!

Hello, May!

Spring is in full bloom, and so are the smiles here at Allison Jung Family Dentistry! As we head toward summer, it's the perfect time to stay on top of your dental care and enjoy all the beauty and activity Fort Collins has to offer.

Meet George! The Newest Member of Our Dental Family!

We're thrilled to welcome George to our team! 🎉 He'll be the friendly voice you hear when you call our office, and he's here to make scheduling your visits as easy and comfortable as possible.

George is fluent in Spanish, so we're especially excited to be able to better serve our Spanish-speaking patients with ease and care.

¡Hablamos español! 

Give us a call to say hello  He's looking forward to meeting all of our wonderful patients!

Did You Know?

Tooth enamel is the hardest substance in the human body—even stronger than bone! But unlike bone, enamel doesn't regenerate, so once it's gone, it's gone. That's why daily brushing, flossing, and regular dental checkups are so important!

Dental Humor Corner

Why did the king go to the dentist?

...To get his crown checked!

Smile Smart Before Summer Starts

May is the perfect month to make sure your teeth are ready for summer vacations, weddings, and outdoor fun. Here are a few quick dental tips to keep your mouth healthy and happy:

Don't skip your routine – Brushing twice a day and flossing daily keeps plaque and cavities away.

 **Say yes to sun & smiles** – Vitamin D is great for your teeth and gums—just don't forget your SPF!

 **Plan ahead** – Summer schedules fill fast! Book your family's appointments early to beat the rush.

Celebrating Moms & Grads

This month, we're celebrating all the amazing mothers and graduates in our community. Whether you're a mom, a recent grad, or cheering one on, we're sending you lots of smiles and gratitude for all your hard work and care.
