

WELCOME TO OUR *October Newsletter*

we're so glad you're here!

Hello, Fall

Fall is here, and we're excited to share a few updates, celebrate our amazing team, and highlight what's happening both in our office and in our Fort Collins community.

Meet Our New Office Manager – Destiny!

**We're excited to introduce
Destiny, our new office
manager! She's the friendly
face you'll see at the front
desk when checking out
and the one making sure
your visit ends as smoothly
as it began. Her warmth
and dedication to patient
care make her a wonderful
addition to our team.**

Familiar Face, New Role – Allison!

Many of you know Allison as a dental assistant here. She has now stepped into a new role as our Patient Care Coordinator. She's the first smiling face you'll see when you walk in the door and is always happy to help you feel at home.

Service Spotlight – Same-Day Crowns

Did you know we can design, mill, and place custom crowns in a single visit? That means no temporary crowns, no waiting weeks, and no second appointment. With our advanced technology, you can walk out the same day with a durable, natural-looking crown!

Don't Lose Your 2025 Dental Benefits

As the year winds down, remember that most dental insurance benefits reset on January 1st. That means any unused coverage for cleanings, exams, or treatments will be lost if not used before then.

Appointments fill up fast in November and December, so we recommend calling soon to reserve your spot. Give us a call today to make the most of your benefits before they expire!
